

# Floppy's Phonics timetabling guidance

*Floppy's Phonics* resources are designed to be delivered in two distinct sessions:

**Session 1** is a teacher-led session focusing on revision of past letter/s-sound correspondences and the introduction of sounds and graphemes, as well as modelling and practising the skills of blending, segmenting and handwriting, using the *Flashcards*, *Frieze* and interactive lessons on *Floppy's Phonics Online*.

**Session 2** provides a revise-and-apply routine in which children focus on their own learning at their own level, using the *Say the Sounds Posters*, *Sounds Books*, *Activity Sheets* or *Activity Books* and *Cumulative Texts*, with the teacher drawing the attention of the whole class together as needed.

The second session can take place later in the day or the next day, or as an immediate follow-on.

Time spent on phonics will vary depending on the time available and the children's needs and stage of learning; however the suggested timings for sessions and the year planner below can be used as a guide. The planner allows two weeks per book, which gives ample time to provide quality practice and consolidation so that all children have time to learn.

Suggested timings for the sessions are as follows:

SESSION 1	Activities and resources	Suggested timings
Revisit and Review	Revise sounds and graphemes using the <i>Flashcards</i> and the <i>Frieze</i> .	10 minutes
Teach	Teach focus sounds and graphemes using the <i>Flashcards</i> and the <i>Floppy's Phonics Online</i> activities.	Approximately 20 minutes; longer if required.

SESSION 2	Activities and resources	Suggested timings
Practise	Quick revision of previous content. Then practise new and revised sounds and graphemes with the <i>Sounds Books</i> , <i>Say the Sounds Posters</i> , <i>Activity Sheets</i> or <i>Activity Books</i> .	Session 2 is likely to take longer than Session 1 especially when introducing use of the Cumulative Texts.
Apply	After the use of the <i>Activity Sheets</i> or <i>Activity Books</i> , use the Cumulative Texts for grapheme searches, reading and language comprehension, handwriting, spelling and drawing practice. Beginners can use the Grapheme Tiles for spelling practice.	You may need to provide a third session to provide good use of the Cumulative Texts. Always complete the full teaching and learning sequence before introducing the next sound and grapheme. A minimum of 35 minutes will be needed for the whole of Session 2, or more as required.

In addition to the two sessions, allow time for children to consolidate their learning:

	Activities and resources
Consolidate	Use the <i>Sounds Books</i> and the online activities for revision and to consolidate learning. Include the <i>Activity Sheets</i> or <i>Activity Books</i> in the children's bookbag routine so that these go home and come back again to school for repeated practice.
Read	Read <i>Floppy's Phonics</i> decodable readers. These books can be used at school and at home as they are especially useful for independent reading activities.

**A note on Level 1:** The twelve Oxford Level 1 Sounds Books in the series are wordless, and can be used to enable children to focus on environmental sounds in different settings. Six of the books also have interactive activities on *Floppy's Phonics Online*. If following this timetable we suggest using the Level 1 books in Nursery or alongside the first two weeks of Level 1+. This will enable you to introduce the alphabetic code systematically from the beginning of the first term of Reception/ Primary 1.
